For planning purposes, you may need a timer for each 12 swimmers entered each day. Each team may schedule their workers as they wish but must cover their assignments for each session. All timers starting at the meet each day should attend the timers meeting and provide their own watch. The Timers Meeting will be held 20 minutes prior to the start of each session in the hospitality room. **Each team must provide their timer with stopwatches.**

Please provide competent timers – this is a championship meet. Inexperienced timers may be requested to find a replacement.

TIME TRIALS: There will be time trials available at the conclusion of each day's session. Individual entries will be due by the end of the breaststroke event. Relay entries will be due immediately upon the completion of the free relays. Time Trial entry fees will be added to the team statement on the league records for payment after the meet.
