- Suggestion was made to the meet committee to allow 11-12 swimmers to swim the 500 free if they are Y-Nationals age eligible only.
- Discussed getting HYTEK for teams that don't have it, and help teams use it correctly. Watch the capitalization of your swimmer names as you enter them. Insure you set your Team Manager 4 setting under **Set-up**, then **Preferences**, and then **Report preferences**, and then make sure that the **Output Options** are set to

**As keyed/imported.** A report listing of the athletes will show you if you have them entered correctly.

**Rules Changes.**

USA rules will be enforced starting September 1 2006. We will be using the blue section of the USA rule book.

**General Announcements.**

Jon clarified that a transfer from one Y to another for participation means that a swimmer may not return to the original Y for one year. This primarily impacts swimmers on teams that don't compete in the summer.

**New Business.**

No new business was reported.

The next league meeting will be held at the OU INN on September 9, 2006 at 10:00 AM
